Strategical Plan hopeCENTER

Session 2021-2022

Mission Statement

WE ARE A MOVEMENT OF FAITH IN MAGDEBURG

COLORED BY GOD'S LOVE TO INSPIRE HOPE AMONG PEOPLE

In four fields of action we formulate S.M.A.R.T. Goals:

1. hope_{IN}ACTION

To get in contact with expatriate students we open every week on Wednesday evening at 7 PM for 1½ hours our CAFÉ homeZONE

2. hopeCOLLEGE

Increasing the quality of life for the internationals in Magdeburg is a matter close to our hearts. Education encourages rethinking previous patterns of action that significantly impair quality of life. That is why we offer a course once a week in our German Language School and an intercultural training to help the students to integrate better in a German society.

For the psychic needs of the internationals we offer once in a quarter the Magdeburg School of Life.

In order to draw attention to our service, we are represented annually with a booth at the Magdeburg intercultural festival.

Bible Promise:

The plans of people who work hard succeed. You can be sure that those in a hurry will become poor.

(Pr. 21,5)

In your heart you plan your life. But the Lord decides where your steps will take you.

(Pr. 16,9)

3. hope4you

Mental wounds heal easier in healthy relationships, which is why we build sustainable friendships with the internationals in Magdeburg. An increased need for advice on relationship problems, addictions and psychological stress makes it necessary to invest in the psychosocial networking of those affected. We encourage this in ...

- the hopeSOUL Counseling by appointment with the pastor
- the small group on every 3rd Saturday per month at 4PM in our “Bungalow”

4. hopeZONE

Mental healing is promoted by a positive worldview, which is why we offer a special hopeZONE divine service on every 1st Saturday (Sabbath-days) per month, which revolve around Christian values and are particularly advertised (via Facebook and YouTube).

In addition, we offer a bible school (wordofhope) in following our divine service, which uses materials from the hopeBibel Institute (www.bibelstudien-institut.de).

Every 4 years the Immanuel Evenings (evangelization) starts in autumn, which make the offer of baptism to the friends of our parish. When our parish in Magdeburg could grow to 25 members by 2021, we would be very thankful to God.
